

THE RECONNECTION Practitioners' BIOS

Claudine was born in France, but moved to the United States in 1960. Earning her Emergency Medical Technician certificate in Blacksburg, VA put her on the road to a career in traditional medicine. She moved to New York State, where she first worked as a Respiratory Therapy Technician and later as a Cardiovascular Technologist in an Elmira, NY hospital. She spent most of her ten years there as supervisor of the cardiovascular laboratory. She resigned from that position to found and manage a medical diagnostic company for hospitals, clinics, and independent physicians.

As her experience grew, she became less than satisfied with traditional healing methods, and began her search to find less invasive and more effective means of healing the whole person, not just alleviation of symptoms. As a graduate and former student of the Barbara Brennan School of Healing and an ordained minister of the Healing Light Center Church, she became deeply involved in energy healing. She taught and practiced in the United States, Finland, France, Germany, Russia and Switzerland. After reading **The Reconnection: Heal Others, Heal Yourself** in 2002, she attended Level I/II/III in Paris. She was amazed at the effectiveness, simplicity, power, and sacredness of the work. Since then she has continued her journey, and travels as a Teaching Assistant with The Reconnection in the U.S. and overseas.

Working with individuals, seminar attendees and practitioners the world over is truly a rewarding experience for Claudine. She offers sessions of Reconnective Healing, The Reconnection and Practitioner Mentoring.
