

# THE RECONNECTION Practitioners' BIOS

## Helen Parsons

Helen Parsons first heard Eric Pearl interviewed on ShirleyMaclaine.com. What he said made sense to her. She followed his instructions and felt a strong magnetic pull between her hands. It grew into an energetic hum throughout her body. Soon after, her reflexology clients immediately noticed a 'difference' in their treatments. In 2001, Helen attended Eric's first seminar in Paris. She went on to start her own Reconnective Healing practice. "I saw wonderful things happen on many levels in my clients both of the human and animal varieties," she says.

Since 2002, Helen has continued to work with The Reconnection in seminars all over the United States, Europe and Japan. As a Practitioner Mentor she helps practitioners hone their skills with Level I/II and Level III Refresher Classes. She also evaluates and administers exams to those who wish to take the next step toward becoming a Certified Reconnective Healing Practitioner. In 2006, Helen was asked to take part in The Reconnection's first Teacher Training Program. "It is now my pleasure to teach and show others the simplicity of stepping into the frequencies and participating in the healing equation," she says. Helen practices in London and Lincolnshire and presents this remarkable work to groups around the UK.

Helen offers sessions of Reconnective Healing, The Reconnection and Practitioner Mentoring.
