

THE RECONNECTION® Practitioners' BIOS

Karen Kennedy

Karen has been an attorney in private practice since 1985. She now spends most of her time bringing the light and information of Reconnective Healing and The Reconnection to our planet.

In January of 2003, Karen discovered Eric Pearl's book. Although she was skeptical, something deep within her instantly resonated with the intrinsic truth of Eric's story and message. She scheduled a Reconnection and signed up for the next seminar with Dr. Pearl. To her delight and amazement, she found that these new, more comprehensive frequencies of light and information were instantly accessible and incredibly powerful. Transformed on many levels, she went home and changed half of her law office into a healing space.

Since then, Karen has facilitated numerous Reconnective Healing sessions and Reconnections. As an Associate Instructor, Practitioner Mentor and Teaching Assistant with Dr. Eric Pearl, she brings this remarkable work to thousands of people in the U.S. and around the world. She was honored to be part of the teams that introduced this work to Japan in 2006 and early 2007. She is delighted to be one of the first people to become an authorized Associate Instructor of The Reconnection.

Karen offers sessions of Reconnective Healing, The Reconnection and Practitioner Mentoring. She can also assist qualified practitioners in obtaining Certified Practitioner status.
