

THE RECONNECTION Practitioners' BIOS

Marie is based in Melbourne, Australia and has travelled Europe, the Middle East, the USA and throughout her own country sharing the message of Reconnective Healing and The Reconnection. She is the first Level V trained practitioner from Australia and amongst the first in the world to be recognized as such.

With a background in art, science and law, her fascination for Reconnective Healing took her by surprise. Her own dramatic healing from a chronic pain condition challenged her to address her role and responsibility in helping others through this work.

Marie is a student and researcher in the field of consciousness evolution and speaks passionately about Reconnective Healing and The Reconnection as the next quantum leap forward for humankind. Marie offers sessions of Reconnective Healing, The Reconnection and Practitioner Mentoring.
